

# Reasons to Build an Outdoor Kitchen

1

## Good food brings people together

Having an outdoor kitchen means being able to entertain (aka feed) friends and family. Who doesn't want more time spent that way?

## 2 It's an investment in your home

When you're ready to move to your next home, you'll get more value out of the one you're leaving.

## 3 You can cook outside

Simple concept, we know, but cooking outside keeps your indoor kitchen cool, clean, and free of those less desirable aromas.

## 4 It extends the living space of your home

Build an island around a grill in your backyard, and you'll increase the amount of space you have to entertain. No more being cramped in the house.

## 5 Grilled food is generally healthier

Fat and grease usually get vaporized while grilling, which means your food isn't soaking in them! We also think grilled food tastes better, pretty much all the time.
